Dear Sen. Paul Formica, Sen Catherin A Osten and Rep. Toni E. Walker

I am writing to strongly urge you to reverse the elimination of DeliverIt (C-Card) from the Governor's biennial budget. This service is used by millions of residents throughout the state of CT. It is a vital, core piece of continuing education, flow of information and access to information that is crucial to the health of our State.

DeliverIt is part of the SOLUTION, not part of the problem. It helps our residents and tax payers become educated, informed and to remain connected...something that is needed more than ever!

I am shocked by the shortsightedness that has gone into this decision to eliminate it.

Thank you,

Elizabeth DeVos
